PROJECTS

I have been advocating for Open Source Software since 2019. Most of my projects are hosted on my GitHub profile. github.com/divvanshu887

Trading world

(Nov 2021)

A WebApp for Cryptocurrency prices, trends, conversions and latest news.

- It uses Rapid Api to get data of all cryptocurrencies, markets and exchanges.
- Tech Stacks -React JS

DevDoot NGO

(May 2021-June 2021)

A WebApp for easing request raising and handling.

- Features Developed included easy portal for request raising, auto-posting on Facebook / Twitter handles, auto assigning of volunteers, mobile OTP verification, writing success story, Update / Archive request status.
- Tech Stack: Flask, Firebase, Javascript, HTML, CSS, 2factor, SMTP, Facebook Developer console

CropDoc (June 2020)

A WebApp for detecting crop disease through images

- Features Developed included detection of crop disease and telling its cure and causes.
- Tech Stacks -Pytorch, Javascript, HTML, CSS, Flask

EXPERIENCES

Girlscript Summer Of Code 2021

(March 2021 - May 2021)

• Worked on implementation and detailed documentation of Machine Learning Algorithms.

Research Intern

(July 2021- Oct 2021)

(Department of Fuel, Mineral and Metallurgical Engineering, IIT(ISM) Dhanbad)

- Researched an approach for efficient manufacturing using High Velocity Oxy Fuel Thermal Spray.
- Responsible for following established guidelines and gathering relevant data for projects and reports through literature.

EDUCATION

Indian Institute of Technology (ISM), Dhanbad — (B.Tech) Mineral and Metallurgical Engineering

@LinkedIn

P.B. Inter College, Pratapgarh

12th - APRIL 2017 - APRIL 2018 - 80.2%

A.T.L School, Pratapgarh

10th - APRIL 2015 - APRIL 2016 - 10.0 gpa

SKILLS

- Languages: Python, Javascript, C /C++
- Machine Learning: NLP, Neural Network.
- Development: React JS, Flask, SQL, Firebase,
- Libraries: Scikit-learn, Pandas, Numpy

ACHIEVEMENTS

 Secured top-10 Rank in Fall Fest, 2020 organized by ACM Student Chapter IIT(ISM) Dhanbad.

Competitive Programming

Platform	Problem Solved		
<u>Hackerrank</u>	265		
Codeforces	200		
<u>GeeksforGeeks</u>	110		

VOLUNTEER EXPERIENCE

• Data Science Club:

- We organize workshops, hands-on sessions (Machine Learning , NLP etc.), organize seminars for opportunities in Data Science.
- Member of CIIE, Data-Science Club IIT (ISM)
 Dhanbad

OPEN-SOURCE CONTRIBUTIONS

- Made 500 Github contribution in the last year
- Made 15 PRs to open source organisation
